CULTURE AND SOCIAL SERVICES

NYAMIRA**

YOUTH ECONOMIC EMPOWERMENT (ECONOMIC STIMULUS) PROGRAMME

Following the enactment of the Youth Empowerment Policy by the County Government of Nyamira we are pleased to present to the public the selected participants for the pioneer phase of the programme.

The participants are required to report at **Manga Stadium** on **Thursday 29th September, 2016 by 9.00 am** with the original ID and copies of academic certificates (if any) to pick admission letters. Selected participants who fail to report by 2.00 pm of the said date and venue shall be deemed to have forfeited their chance.

This is a three-month community service programme (renewable). The Youth Empowerment Programme gives you an opportunity to serve the community and also help reduce dependence in the youth. It is expected that during the period of engagement the participants shall directly or indirectly gain or enhance self-employment skills in Agribusiness, Arts and Sports, Artisan skills, etc for their personal fulfillment.

The programme activities will include but not limited to: opening and maintaining footpaths, County roads and culverts, tree planting, County-branding, improving school playing fields, County beautification, digital data capture, volunteer services, storm water management, and be on-call during emergency. The youth will participate in county functions besides engaging in sporting activities, positive entertainment, public participation, civic education and mentoring.

Attached is the list of the equitably selected Youth participants (aged 18-35 years) and the team leaders.
